PRESSURISATION SETS

SFS

SFS make-up unit

This unit is a compact, well engineered product - normally available from stock. The standard SFS make-up unit comprises:-

- Pump with continuously rated, 2 pole, single phase motor
- Pressure switch
- Pressure regulating valve
- Pressure gauges
- Pump control vessel
- Break tank with diaphragm ball valve and lid
- Interconnecting pipework and fittings
- Stove enamelled baseplate
- SFS-1 incorporates fused switch

For ease of installation

Fitting Kits A, B, C, D and E are available (Kits C, D, and E incorporate prewired electrics).
